2.1 Property Subject to Declaration. The real property which is, and shall be held, conveyed, hypothecated or encumbered, sold, leased, rented, used, occupied and improved subject to this Declaration is located in the County of Williamson, State of Tennessee, and is more particularly described in Exhibit A attached hereto and incorporated herein by this reference.

2.2 Intentionally Omitted.

2.3 Annexation of Additional Property. For a period of ten (10) years from and after the date this Declaration is filed for record, additional property may be annexed to the above-described Property by the Declarant without the assent of the Members of the Association, if any, provided that such additional property is adjacent to the Property described in Exhibit A. Thereafter, such additional property may be annexed only with the consent of fifty-one (51%) percent of each class of Members of the Association. Any additional property so annexed, however, must be adjacent to or in the immediate vicinity of the above-described Property. The scheme of the within Covenants and Restrictions shall not, however, be extended to include any such additional property unless and until the same is annexed to the real property described on Exhibit A as hereinafter provided.

Any annexations made pursuant to this Article, or otherwise shall be made by recording a supplement to this Declaration with the Register of Deeds for Williamson County, Tennessee which supplementary Declaration shall extend the scheme of some or all of the within covenants and restrictions to such annexed property. Such supplementary Declaration may contain such additional covenants, conditions, restrictions, easements, assessments, charges and liens as the Declarant shall deem appropriate for the purpose of completing the development of the Property.

2.4 Additional Common Areas. Declarant shall have the right, from time to time, for a period of ten (10) years from the date this Declaration is filed for record, to convey to the Association for nominal or other appropriate consideration, and the Association shall accept conveyance of any property or interest in property owned by Declarant along with any structure, improvement, or other facility including related fixtures, equipment and furnishings located thereon. Upon conveyance of such property, the property shall constitute Common Areas.

Notwithstanding any other provision of this Declaration, Declarant does not warrant or represent that any recreational facilities will be constructed by or on behalf of Declarant. In determining whether to construct any recreational facilities, Declarant may consider whether the construction at the time of making the decision would be economically feasible in light of the then-existing economic conditions, whether Declarant has sufficient funds available for the construction, whether the operation, maintenance and repair of the recreational facilities as constructed will be adequately funded by the assessments, including any increase to the assessment as provided in this Declaration. Declarant may also consider other factors.

ARTICLE III
PROPERTY RIGHTS

3.1 Owner's Right of Enjoyment. Every Owner and, in the case of rented Lots, such Owner's tenants, shall have a right to an easement for the enjoyment of, in, and to the Common

Areas, and such right and easement shall be appurtenant to and shall pass with title to every Lot, subject to the following:

(a) The right of the Association, in accordance with its Articles of Incorporation and Bylaws, to borrow money for the purpose of improving the Common Areas.

(b) The right of the Association to dedicate or transfer all or any part of the Common Areas to any public or municipal agency, authority or utility for purposes consistent with the purpose of this Declaration.

(c) Easements and restrictions of record.

(d) The right of the Association or the Declarant to grant additional easements over the Common Areas and Lots as provided in Section 3.5.

3.2 Delegation of Use. Any Owner may delegate, in accordance with the applicable Bylaws of the Association, his right of enjoyment in and use of the Common Areas to the members of his family, guests, and his tenants or contract purchasers who reside on the Property.

3.3 Easements to Other Residents. The Declarant may designate that certain owners of real property outside of the Property and such other persons as the Declarant may designate, shall have an easement of enjoyment in, on and over the Common Areas, to the same extent as any Owner of a Lot located on the Property, subject to the provisions of Section 3.1. Such individuals shall be subject to the rules and regulations of the Association concerning the use of said areas, but shall not be subject to assessments by the Association.

It is the intent of the Declarant that there may be reserved similar easements in favor of the Owners on and over other tracts of land. Such easements, however, shall be created solely by instruments other than this Declaration, and such easements shall be governed by the terms therein contained. The establishment of any such easements are wholly contingent upon (a) the commencement of further development of land located outside of the Property (b) consent of the owners of such land, and (c) approval by appropriate governmental authorities. Accordingly, the Declarant neither represents nor guarantees that any such easements of enjoyment will be established for the Owners.

3.4 Title to Common Areas. The title to any portion of the Common Areas that is to be owned by the Association in fee simple, if any, shall be conveyed to the Association, prior to the expiration of the Development Period, in "AS IS" condition, free and clear of all liens and encumbrances; provided, however, that the Declarant shall have the right from time to time to reserve for the purpose of development of the Property all or any portion of the Property for various easements and rights of way, together with the right to dedicate same where applicable and customary and the right of ingress and egress across the Common Areas in connection with

the development of the Property. The Declarant's rights hereunder shall not unreasonably interfere with the Owner's easement of enjoyment.

3.4.1 Upon conveyance of the Common Areas to the Association, the Association shall have all incidents of ownership of the Common Areas and shall become responsible for the payment of all taxes, insurance, maintenance, and other fees, costs and expenses related to the ownership and upkeep of the Common Areas.

3.4.2 The Association shall not dispose of any of the Common Areas, by sale or otherwise except to an organization conceived and established to own and maintain the Common Areas and approved by the local authorities having jurisdiction, or by dedication of the Common Areas to Williamson County, Tennessee, or other governmental entity, provided, however, that such dedication must be approved by the Williamson County or other governmental entity prior to such dedication having any force or effect (and nothing herein shall be deemed or construed to require the Williamson County or other governmental entity to accept any such dedication). The conditions of transfer shall conform to the officially recorded development plan.

3.4.3 The Association shall not be dissolved, except upon disposal of the Common Areas as provided in this section.

3.5 Right to Grant Easements. Declarant hereby reserves the right, to grant, on behalf of the Association and/or the Owners and without the consent of the Association, or any Owner, easements, across, through or under the Common Areas. Such easements, which shall be exclusive or non-exclusive, shall be limited to utility easements (including cable television), green belt easements, sign easements, drainage easements, access easements or roadway easements. Declarant's rights under this Section shall terminate upon expiration of the Development Period.

The Association, without the consent of any Owner, shall have the right at any time to grant easements as set forth in this Section.

3.6 Declaration of Covenants. The owners of the Lots shall be subject to and benefitted by this Declaration of Covenants, Conditions and Restrictions and Reservation of Easements for The Mill at Bond Springs as recorded in the Register's Office for Williamson County, Tennessee.

ARTICLE IV
MEMBERSHIP AND VOTING RIGHTS

4.1 Members. Every Owner of a Lot which is subject to assessment shall be a Member of the Association. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment. By acceptance of any deed conveying any of the properties burdened by this Declaration, the Owner thereof agrees to be bound by the provisions of this Declaration without any further action on the part of the Declarant, the Association, or such Owner.

4.2 Classes of Members; Voting. The Association shall have two classes of voting membership:

4.2.1 Class A Members shall be all Owners, with the exception of the Declarant, and shall be entitled to one (1) vote for each Lot owned. When more than one (1) person holds an interest in any Lot, all such persons shall be Members. The vote for such Lot shall be exercised as they determine, but in no event shall more than one (1) vote be cast with respect to any Lot.

Only those Class A Members who shall be in good standing with the Association at the time a vote is to be cast shall be eligible to cast a vote on any matter for which the members are entitled to vote; and, any Class A Member who is not in good standing with the Association at the time such vote is to be cast shall not be entitled to cast a vote. For purposes of this limitation on voting, "good standing" shall be defined as being no more than thirty (30) days delinquent on the payment of any sum of money due to be paid to the Association by such Member.

4.2.2 Class B Member(s) shall be the Declarant and the Declarant shall be entitled to one hundred (100) votes. The Class B membership shall begin on the date that this Declaration is placed of record and shall terminate on the date the last Lot improved with a completed residence is sold to an Owner, as opposed to a Builder; it being the intent that the Declarant shall retain full control over the Association until one hundred percent (100.0%) of the Lots improved with a residence are owned by an Owner.

Within sixty (60) days after the date on which the Class B membership shall terminate, a special meeting of the Association shall be called for the purpose of initiating an orderly process for transfer of control of the Association to the Owners.

ARTICLE V
ASSESSMENTS

5.1 Covenant for Assessments. The Declarant for each Lot owned by it (and as hereinafter limited by the provisions of this Declaration) and each person, group of persons, or entity who becomes an Owner of a Lot by acceptance of a deed therefor, whether or not it shall be so expressed in any such deed or other conveyance shall be deemed to covenant and agree to pay to the Association: (1) Annual Assessments; (2) Individual Assessments; and (3) Special Assessments; such assessments to be fixed, established and collected from time to time as hereinafter provided. All assessments, together with interest thereon as hereafter provided and costs of collection thereof (including court costs and reasonable attorney's fees) as hereinafter provided shall be a charge on the land and shall be a continuing lien upon the property and Lot against which such assessment is made. Each such assessment, together with such interest thereon and cost of collection thereof as herein provided, shall also be the personal obligation of the person, group of persons, or entity who was the Owner of such property and Lot at the time when the assessment fell due.

5.2 Annual Assessments, Purposes. The Annual Assessments levied by the Association are for the purpose of promoting the recreation, scenic enjoyment, health, welfare and safety of the residents and for protecting, advancing and promoting the environmental concept of the Property and preserving the aesthetic and scenic qualities of the development.

5.2.1 Annual General Assessment. To carry out these purposes, an Annual General Assessment shall be levied by the Association to be used currently, and to provide an adequate reserve fund for future use, for the improvement, expansion and maintenance of the Common Areas, including, but not limited to, the payment of taxes, insurance and fidelity bonds, and for repairs, replacements and additions, and for the cost of labor, equipment, and materials, management and supervision, and including but not limited to the maintenance, repair and landscaping of Storm Water Facilities, as well as streets and rights-of-way, sprinkler systems and landscape islands in boulevards, street lights and, in the discretion of the Association, including any drainage facilities, entrance roads or adjoining roads or areas, whether public or private, which may affect the recreation, scenic enjoyment, health, welfare and safety of the residents even though not owned by the Association.

5.3 Annual General Assessments, Initial Amount. The initial amount of the Annual General Assessment shall be One Thousand Eight Hundred and NO/100 Dollars (\$1,800.00) per annum per Lot, payable in accordance with the schedule established by the Board pursuant to this Article. Such initial assessment amount shall be known as the "Maximum Annual General Assessment".

5.4 Annual General Assessment, Maximum Increase.

(a) From and after the date of the commencement of the Annual General Assessment, the amount of the Maximum Annual General Assessment, set out in Section 5.3 above, for all membership will increase automatically ten (10%) percent per year in addition to the maximum sum allowed for the previous year (whether changed or not), unless prior to the levying of such new assessment year, the Board of Directors vote to reduce the assessment below that allowed to be changed in such year. As used herein, the term "allowed to be changed" shall mean the sum set out in Section 5.3 above, increased and compounded ten (10%) percent per year, beginning with the year immediately following the date of the commencement of the Annual General Assessment.

(b) From and after the date of the commencement of the Annual General Assessment, the Maximum Annual General Assessment for all membership may be increased above that established by the preceding paragraph, by a vote of Members as hereinafter provided for the next succeeding year and at the end of such year for each succeeding year. Any change made pursuant to this paragraph shall have the assent of a fifty-one (51%) percent of the total number of votes held by Class A Members and fifty-one (51%) percent of the total number of votes held by the Class B Members, if any.

(c) The Annual General Assessment may be billed in installments due and payable in advance on a monthly, quarterly, or semi-annual basis, or it may be billed in one lump-sum amount payable on annual basis, in the sole and absolute discretion of the Board. The Board of Directors may fix the annual assessment at any amount not in excess of the maximum thereinabove provided for. The assessment shall be fixed at a uniform rate based upon Lots.

5.5 Individual Assessments. In the event an Owner of any Lot in the Properties shall fail to maintain the premises and the improvements situated thereon in a manner satisfactory to the Board of Directors in their reasonable discretion, then the Association, after approval by sixty-six and two-thirds (66-2/3%) vote of all members of the Board shall have the right through its agents, contractors, and employees, to enter upon said Lot and to repair, maintain and restore the Lot and the exterior of the buildings and any other improvements erected thereon. The cost of such exterior maintenance and repair (including charges incurred by the Association for attorney's fees, court costs, or other expenses incurred to obtain access to the subject Lot) shall be added to and become part of the total assessment to which such Lot is subject. Such individual Assessments shall be due and payable by the Owner immediately upon receipt by such Owner of each invoice from the Association for such amounts.

5.6 Special Assessments. In addition to the Annual Assessments authorized by this Article, the Association may levy in any assessment year Special Assessments, applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any construction or

reconstruction, unexpected repair, replacement or addition of a described capital improvement located upon the Common Areas, which cost has not otherwise been provided for in full as part of the Annual General Assessment, including the necessary fixtures and personal property related thereto, provided that any such assessment affecting the Common Areas shall have the approval of fifty-one (51%) percent of the total number of votes held by Class A Members and fifty-one (51%) percent of the total number of votes held by the Class B Members, if any. Any Special Assessments levied by the Association pursuant to the provisions of this Section shall be fixed at a uniform rate based upon the number of applicable Lots. All monies received by the Association as a Special Assessment shall be held in trust by the Association for the benefit of the Members to be used solely for the purpose of the Special Assessment and any income derived therefrom shall be held as a separate fund and shall be accounted for separately from the other assets coming under the control of the Association. The assessment may be billed in advance on a monthly, quarterly, semi-annual or annual basis.

5.7 Commencement of Assessments. The Annual Assessments shall commence on the day after the date this Declaration is recorded in the Register's Office for the County in which the Property is located. The first assessment for any such membership may be prorated for the balance of the calendar year and shall become due and payable and a lien on the date aforesaid. The Board may from time to time determine the manner and schedule of payments.

The Annual Assessments for additional property subjected to the Declaration after the commencement of the Annual Assessments, shall commence on the first day of the first month following the date an Amendment to the Declaration is filed for record or at such other date as determined by the Association.

It shall be the duty of the Board of Directors of the Association to periodically fix the amount of the assessment against each Lot for such assessment period and the Board of Directors shall make reasonable efforts to fix the amount of the assessment against each Lot for each assessment period at least thirty (30) days in advance of such date or period and shall, at the time, prepare a roster of the Lots and assessments applicable thereto which shall be kept in the office of the Association and shall be opened to inspection by any Owner upon reasonable notice to the Board. Written notice of the assessment shall thereupon be sent to the Owner of any Lot subject thereto. Annual Assessments subsequent to the first Annual Assessment shall become a lien on January 1 of each year; Individual and Special Assessments shall become a lien at the time designated by the Board of Directors. No notice of lien other than this Declaration need be recorded to establish the validity of any such lien, and this Declaration shall stand as notice thereof.

5.8 Assessment of Builder and Declarant.

(a) Any provision of this Declaration or of the Articles of Incorporation or Bylaws of the Association notwithstanding, the Declarant shall not be required to pay any assessments, whether annual assessments, special assessments, or assessments of any other kind

or nature, for any recorded Lots or Living Units. A Builder shall be required to pay all such assessments to the same extent as an Owner shall be required to pay.

(b) The provisions of Section 5.8(a) shall not apply to the assessment of any Lot or Living Unit held by the Declarant for rental purposes and which is or has been occupied as a Living Unit, in which event the Declarant shall be required to pay the full amount of the assessments levied thereon, commencing on the issuance of a certificate of occupancy for such unit. The provisions of this subsection shall not apply to any Lot or Living Unit owned and used by the Declarant as a model, offices, or for any other purpose other than rental property.

(c) Notwithstanding any other provision of this Declaration to the contrary, neither the Declarant nor any Builder shall have any obligation to fund the operating account or any reserves for the Association or otherwise subsidize the Association. The Declarant shall have the right, but not the obligation, to make one (1) or more loans to the Association to provide financial assistance to the Association for funding of its reserves, construction, maintenance, repair, and replacement of its Common Areas, and operation of the Association. Such loans shall be evidenced by one (1) or more promissory notes and appropriate security instruments as well as other instruments and documents reasonably required to evidence and secure the said loan(s), and shall be for a term not to exceed ten (10) years.

5.9 Assessment Certificates. The Association shall, upon demand, at any reasonable time, furnish to the Owner liable for assessment a certificate in writing signed by an officer or other authorized agent of the Association, setting forth the status of said assessment, i.e., whether the same is paid or unpaid. Such certificate shall be conclusive evidence of the payment of any assessment therein stated to have been paid. A reasonable charge may be levied in advance by the Association for each certificate so delivered; provided, however, that such charge shall not exceed \$100.00.

5.10 Non-Payment of Assessment. Any assessment levied pursuant to these covenants which is not paid on the date when due shall be delinquent and shall, together with such interest thereon and cost of collection thereof, as hereinafter provided, thereupon become a continuing lien upon the property which shall bind such Lot in the hands of the then Owner, his heirs, devisees, personal representatives and assigns. The personal obligation of the then Owner to pay such assessment, however, shall remain his personal obligation for the statutory period and shall not pass to his successors in title unless expressly assumed by them with the consent of the Association.

If the assessment is not paid within ten (10) days after the due date, the assessment shall bear interest from the date due at the rate of ten percent (10%) per annum, and the Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the property, in either of which events interest, costs and reasonable attorney's fees shall be added to the amount of each assessment. No Owner shall

waive or otherwise escape liability for the assessments herein provided for by non-use of the Common Areas or abandonment of his Lot or Living Unit.

In addition to the ten percent (10%) per annum interest provided above, the Board of Directors in its discretion, may establish a reasonable late charge to be paid in the event of any assessment that is not paid within ten (10) days after due date, provided that such late charge shall not exceed a sum equal to ten (10%) percent of the amount of the assessment which is delinquent by ten (10) days.

5.11 Subordination of Lien to Mortgage. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any Lot shall not affect the assessment lien. However, any first mortgagee who obtains title to a Lot pursuant to the remedies in the mortgage or through foreclosure shall not be liable for more than six (6) months of the Lot's unpaid assessments or charges accrued before the acquisition of title to the Lot by the mortgagee.

5.12 Capital Contribution and Assessment at Closing. At the closing on the purchase of a Lot from the Declarant/Developer to a Builder, the Builder shall pay to the Association the sum of One Thousand and NO/100 Dollars (\$1,000.00), or such other amount as the Association may determine from time to time in its sole and absolute discretion, as such Builder's initial capital contribution to the working capital of the Association. At the closing on the purchase of a Lot, whether improved or unimproved, from a Builder to an Owner, and upon the closing of all subsequent sale and purchase transactions thereafter, the purchaser of such Lot shall be required to pay to the Association the sum of Two Thousand and NO/100 Dollars (\$2,000.00), or such other amount as the Association may determine from time to time in its sole and absolute discretion, as such purchaser's initial capital contribution to the working capital of the Association. This assessment, or any part thereof, may be used by the Association for its operating expenses, or held in its capital reserve fund, if such fund shall at any time exist, at the Association's option. Such assessment is not an advance payment of assessments, and it will not be held in any sort of trust or reserve account for the benefit of the Owner or Builder paying such assessment. Additionally, upon closing with a Builder, and upon all subsequent closings, each purchaser of a Lot shall be required to pay a pro-rata share of the Annual General Assessment, if applicable, for the balance of the then-current year to the extent that such assessment is not otherwise being collected by the Association.

5.13 Intentionally omitted.

ARTICLE VI
INSURANCE

6.1 Liability Insurance. The Association shall obtain and maintain a Comprehensive policy of public liability insurance covering all of the Common Areas, insuring the Association, Directors, and Owners and members of their respective families, tenants and occupants in an amount of not less than Five Hundred Thousand and 00/100 Dollars (\$500,000.00), per occurrence for personal injury and/or property damage. This insurance shall include protection against such risks as are customarily covered with respect to a development similar in construction, location and use, as determined by the Board. The insurance shall contain a "severability of interest" endorsement which shall preclude the insurer from denying the claim of an Owner, tenant or occupant because of negligent acts of the Association, the Board, or other Owners, tenants or occupants.

6.2 Casualty Insurance. The Association shall obtain and maintain, fire, lightening and extended coverage or similar insurance in an amount not less than one hundred percent (100%) of the replacement cost thereof on all Common Areas and other improvements owned by the Association. This insurance shall include protection against the risks as are customarily covered with respect to a development similar in construction, location and use, as determined by the Board. Said insurance shall be payable to the Association and the proceeds from which shall be used to restore or replace any Common Area or other improvement damaged or destroyed by any peril covered by said insurance.

6.3 Other Insurance. In addition, the Association shall obtain and maintain contractual liability insurance, Directors' and Officers' liability insurance and such other insurance as the Board may deem desirable from time to time.

6.4 Owner's Insurance. Any Owner, tenant, or occupant may carry such insurance in addition to that provided by the Association pursuant to this Declaration, as that Owner, tenant, or occupant may determine. Each Owner of a Lot and Living Unit shall be responsible for obtaining casualty and liability insurance for his Lot.

6.5 Insufficient Insurance. In the event the improvements forming a part of the Common Areas shall suffer damage or destruction from any cause or peril which is not insured against, or if insured against, the insurance proceeds from which shall not be sufficient to pay the cost of repair, restoration or reconstruction, then, the Association shall advance such costs in excess of available insurance proceeds. The amount so advanced by the Association shall become a Special Assessment against all of the Lots for which whose benefit the amount was so advanced, and such assessment shall have the same force and effect, and if not paid, may be enforced in the same manner as herein provided for the nonpayment of assessments. The action required to be taken by the Association under this Section shall not require any vote of the Members of the Association.

ARTICLE VII

Additionally, no improvement constructed by the Declarant in connection with the development of the Property shall be removed from the Common Areas (including, without limitation, areas designated as "open-space/ landscape easements", "open-space lots," "natural buffer easements," or other similar designation) without the prior written consent of the Declarant or the Association.

7.1.4 Driveways: All driveways shall be surfaced with concrete, stone, brick, or other material as may be approved by the Reviewing Authority from time to time.

7.1.5 Water Discharge: Storm water must be disposed of in accordance with drainage plans established by the Declarant, the Association, or Williamson County, Tennessee.

7.1.6 Radio and Television Antennas: No television, radio or other electrical towers, aerials, antennae, satellite dishes, or other device of any type for the reception or transmission of radio or television broadcasts or other means of communication shall be erected, constructed, placed or permitted to remain on any Lot or upon any improvements thereon, except that this prohibition shall not apply to those antennae specifically covered by 37 C.F.R. Part 1, Subpart 5, Section 1.4000 (or any successor provision) promulgated under the Telecommunications Act of 1996, as amended from time to time. Notwithstanding the foregoing prohibition, roof mounted satellite dishes less than thirty inches (30") in diameter shall be permitted provided that such satellite dishes are mounted on the back of the Living Unit and is not visible from any street. The Association shall be empowered to adopt rules governing the types of antennae that are permissible hereunder and establishing reasonable, non-discriminatory restrictions relating to safety, location and maintenance of antennae.

To the extent that the reception of an acceptable signal would not be impaired, an antenna permissible pursuant to rules adopted by the Association may be installed only if it is located within the residence located on the Lot, or: (i) is not located in the front yard of the Lot or attached to the front of the Living Unit; (ii) is not visible from any street (whether by location or screening); and (iii) is integrated with the Living Unit and surrounding landscape.

7.1.7 Air Conditioning and Heat Pump Equipment: Such equipment shall be located only in side or rear yards. No window units or "through-the-wall" units shall be permitted.

7.1.8 Awnings: Awnings above windows or doors may be erected or used only with the prior written approval of the Reviewing Authority after submission for approval in accordance with this Article. Such approval may be granted or withheld in the Review Authority's sole and absolute discretion.

7.1.9 Fences: no fence shall be permitted upon any Lot unless the same shall have first been submitted to the Design Review Committee or other Reviewing Authority in accordance with applicable provisions of Article VII of this Declaration and written approval of the same shall have been granted.

7.1.10 Exterior Carpeting: No exterior carpeting shall be allowed if it is visible from the street.

7.1.11 Lighting Exterior: All exterior lighting must be approved by the Reviewing Authority prior to its installation.

7.1.12 Completion: Construction of a residential building on any tract shall be completed within eighteen (18) months from the date construction is started and the disturbed yard area must be sodded or seeded, provided, however, that the completion date shall be extended for stoppages caused by strike, lockout, labor disputes, fire, unusual delay in transportation, unavoidable casualty, weather and acts of God for an period of time equal to the period of time of such work stoppage.

7.1.13 Roofs. All roofs on residences shall be dimensional asphalt shingle or metal, unless otherwise approved by the Reviewing Authority. A replacement roof shall be match to the original roof unless the written approval of the Reviewing Authority has been obtained prior to the installation of such replacement roof.

7.1.14 Mailboxes. All mailboxes shall be cluster type mail boxes or as otherwise required by the US Postal Service.

7.1.15 Driveway Connections to Street: Unless otherwise approved by the Reviewing Authority prior to construction, all driveway connections to the street shall be of the same design and constructed in accordance with the specifications for driveway connections adopted by the Reviewing Authority.

7.1.16 Zoning: All improvements shall be constructed in accordance with and subject to all applicable zoning regulations and building codes.

7.2 Variances. In order to avoid unnecessary hardship and/or to overcome practical difficulties in the application of certain provisions of the Declaration, the Reviewing Authority shall have the authority to grant reasonable variances from the provisions of Section 7.1. No variance shall materially injure or materially adversely affect any other part of the Property or any other Owner or occupant. No variance granted pursuant to the authority of this Section 7.2 shall constitute a waiver of any provision of the Declaration as applied to any other party or other part of the Property, and no variance may be granted to permit anything that is prohibited by applicable law. All provisions of the Declaration not affected by the grant of a variance shall continue to apply with full force and effect to the Lot for which the variance is granted and to the balance of the Property.

7.3 Approval by Declarant. Until such time as Declarant has fully relinquished its rights as set forth in this Declaration, the Declarant shall maintain full control of the

requirements for architectural improvement for the Property. Notwithstanding the foregoing, the Declarant may, but shall not be obligated to, assign such right of control to the Board of Directors of the Association or the Design Review Committee (the Declarant, the Board of Directors, and the Design Review Committee, as the case may determine, is sometimes individually or collectively referred to in this Declaration as the "Reviewing Authority").

7.4 Design Review Committee. The purpose of the Design Review Committee (the "DRC"), if any, is to ensure that the construction, installation, and alteration of any structure and other improvements on any Lot will comply with the requirements of this Declaration and the general scheme prevailing in the The Mill at Bond Springs planned unit development. To that end, the Reviewing Authority shall be vested with the authority to, among other things, to: (a) confirm whether the proposed structure and other improvements are, or will be, in conformity and harmony with the planned or existing architectural and aesthetic standards of the development established from time to time by the Declarant; (b) confirm whether the location of the proposed structures and other improvements on a Lot are, or will be, located on such Lot in a manner which will provide uniformity and harmony with the planned standards; and, (c) do all other things and take all other action to ensure that the development maintains an architecturally and aesthetically unified and harmonious community standard. In furtherance of the foregoing, unless otherwise limited by the Board or the Declarant, the DRC shall have all rights, powers, and authority requisite or desirable to do each and every thing necessary, desirable, suitable, proper, or convenient to accomplish such purpose including, without limitation, the right to approve or disapprove all plans and specifications for the construction, installation, and alteration of any structure or other improvement on any Lot.

The Reviewing Authority shall have the right, but not the obligation, to establish certain design standards (the "Design Standards") to aid and assist Owners and Builders submitting plans and specifications for review. The Design Standards shall not be deemed or construed to be anything other than guidelines, and they may not be determinative of whether any particular proposed structure or other improvement on, or any use of, any single Lot is acceptable, which determination shall be made by the Reviewing Authority in its sole and absolute discretion. Because each Lot is unique in character, the Reviewing Authority is authorized, notwithstanding any adopted Design Standards, to apply or adopt different standards for each Lot to reflect the unique character of each Lot.

7.5 Approval of Proposed Structures and Other Improvements. No structure or other improvement shall be constructed, installed, placed upon, or permitted to remain, and no existing structure or other improvement shall be altered, without first obtaining the written approval of the Declarant, the Board, or the DRC, as the case may be.

7.4.1 Procedure for Submission. Prior to the construction, installation, or alteration of any structure or other improvement on any Lot, the Owner or Builder shall submit to the Reviewing Authority no less than two (2) copies of the plans and

specifications for such structure or other improvement. The plans and specification shall contain, at a minimum: (a) a site plan of the Lot showing the location of the structure or other improvements on the lot including, but not limited to, building setback lines, easements, open spaces, the driveway, sidewalks, patios, and parking areas; (b) complete and final floor plans; (c) exterior building elevations for all structures proposed to be constructed, installed, or altered on such Lot as such will appear after finished grading; (d) specifications showing the nature, kind, shape, height, colors, and other pertinent details of all materials used on all sides of the exterior elevations; (e) garage door material and design; and (f) final grading and landscaping plans. Such plans and specifications shall be in such form and shall contain such information as may be reasonably required by the Reviewing Authority.

No structure or other improvement shall be constructed, installed, placed, moved onto, or permitted to remain on any Lot, nor shall any existing structure or other improvement be altered in any way which will materially change the exterior appearance of such structure or improvement or of the Lot, unless the plans and specifications therefor have first been submitted to and approved by the Reviewing Authority.

7.4.2 Approval or Disapproval of Plans and Specifications. The Reviewing Authority shall have the right to approve or disapprove, in its sole and absolute discretion, any plans and specifications submitted to it for any reason it may deem sufficient including, without limitation, purely aesthetic reasons. The Reviewing Authority's approval or disapproval of any aspect of any particular set of plans and specifications shall not be deemed or construed as approval or disapproval of any other similar aspect of any differing set of plans and specifications, nor shall it be deemed or construed to imply approval or disapproval of any other similar aspect of any differing set of plans and specifications.

The Reviewing Authority shall have forty-five (45) days after the date any final, complete set of plans and specifications are submitted, or re-submitted, as the case may be, to it to approve or disapprove such plans and specifications. The said forty-five (45) day period shall commence running on the date the said plans and specifications are actually received by the Reviewing Authority. The Reviewing Authority may approve or disapprove all or any part of such submitted plans and specifications. In the event all or any part of such submitted plans and specifications may be disapproved, unless otherwise instructed by the Reviewing Authority the Owner of Builder seeking approval shall re-submit a complete, final set of plans and specifications in the same manner as an initial submission was made. In the event the plans and specifications are neither approved nor disapproved by the Reviewing Authority within said forty-five (45) day period, it shall be conclusively deemed for all purposes that such plans and specifications were disapproved in their entirety.

Notwithstanding the foregoing, the Reviewing Authority shall have the right, but not the obligation, to approve the plans and specifications subject to the imposition of certain conditions on the plans and specifications by the Reviewing Authority, and such conditions shall be binding upon the Owner or Builder submitting such plans and specifications to the same extent as if they were included in the original submission made by the Owner or Builder.

7.4.3 Nonliability and Release of Reviewing Authority. The Reviewing Authority shall have no obligation to review any plans and specifications for compliance with any and all laws, statutes, ordinances, rules, or regulations of any local authority having jurisdiction including, without limitation, local building codes and zoning ordinances. Review of plans and specifications by the Reviewing Authority shall not be deemed or construed to be a review of the structural integrity of structure contained in the plans and specifications, the operational ability or quality of any system contained in the plans and specifications, the feasibility of the proposed construction, installation, or alteration of any structure or other improvements, or any other matter other than the compliance or noncompliance of the proposed structure and other improvements with the requirements of this Declaration and the general architectural and aesthetic scheme prevailing in The Mill at Bond Springs. Neither the Declarant, the Board, the DRC, nor any member thereof shall be responsible or liable to any party for any deficiencies or defects in any plans or specifications approved by the Reviewing Authority, or for any deficiencies, defects, or incompleteness in any design, work performed, labor, materials, and supplies provided in furtherance of the construction, installation, or alteration of the structure and improvements submitted to and approved by the Reviewing Authority. By submission of such plans and specifications to the Reviewing Authority, and by acceptance of a deed to a Lot, each Owner and Builder, and each and every person claiming by, through, or under such Owner or Builder, hereby forever and fully releases and discharges the Declarant, the Board, the DRC, each member thereof, and each officer, director, member, shareholder, employee, agent, and representative thereof from any and all claims, demands, rights, obligations, liabilities, damages, losses, and causes of action of any kind or nature, whether known or unknown, disclosed or undisclosed, whether such arise in contract, tort, or otherwise, which such party may now have or which it may hereafter acquire and which are related in any way to the review of the plans and specifications.

ARTICLE VIII
USE RESTRICTIONS AND MAINTENANCE

8.1 Restrictions. All Living Units and the Lots upon which such Living Units are located shall be subject to the following restrictions:

8.1.1 Purpose of Property: Except for Lots designated as Common Areas or open-space lots, the Property shall be used only for residential purposes and common recreational purposes auxiliary thereto. The Declarant or a Builder shall have the right to use unsold residences as model homes or sales offices.

8.1.2 Nuisance: No obnoxious or offensive activity of any kind shall be engaged in on any Lot nor shall any Owner or occupant thereof engage in any activities that interfere with the quiet enjoyment, comfort and health of the occupants of adjacent neighboring Lots. This paragraph shall not apply to any Lots owned by the Declarant or a Builder and held for sale.

8.1.3 Animals and Pets: No animals or livestock of any kind shall be raised, bred or kept on any Lot, except that dogs, cats or other household pets (including no more than one (1) pot-belly pig) may be kept, provided that they do not exceed three (3) in number and they are not kept, bred or maintained for any commercial purpose. Notwithstanding the foregoing, in the event such household pets have a litter, the Owner shall have a period of one hundred twenty (120) days from the date of such birth to dispose of such excess pets. Additionally, an Owner shall be permitted to keep fish in a private pond provided such fish are not kept, bred or maintained for any commercial purpose.

Notwithstanding the foregoing prohibition of animals and livestock, chickens shall be permitted to be raised, bred, and kept on a Lot provided, however, that: (a) no more than five (5) chickens shall be kept at any one time; (b) no roosters shall be permitted at any time; (c) the said chickens shall not be permitted to roam free and shall be kept in a pen or other enclosure located in the rear of the Lot which will not be visible from any street and which complies with requirements regarding fences set forth in Article VII of this Declaration; (d) that any chicken coop or other structure used to shelter the chickens shall be subject to the submission and review procedures and architectural requirements set forth in Article VII of this Declaration; and, (e) such chickens will only be kept for personal use and will not be used for any commercial purpose whatsoever.

Notwithstanding the foregoing prohibition of animals and livestock, the Association, in its reasonable discretion, shall be authorized to permit the maintenance of animals or livestock (e.g. horses, goats, cows, etc.) on any Lot provided that the type and number of such animals is reasonable for the area within which such animals will be kept, such animals are not, and will not be, a nuisance to the community, that such animals will be kept within the confines of a fence or other enclosure of such design as will keep such animals fully contained therein and has been approved by the Association in the same manner as any other fence, that such animals will only be kept for the Owner's personal use and

enjoyment and not for any commercial purpose whatsoever, and that the keeping of such animals complies with any and all other rules, regulations, and requirements related thereto as the Association, in its sole and absolute discretion, may from time to time place upon the keeping of such animals. The Association's consent for maintenance of any animal or livestock on any Lot shall be made on a case by case basis, and the granting of consent for the maintenance of one (1) such animal on any Lot shall not be deemed to be a consent for the maintenance of such animal on any other Lot, or consent for the maintenance of more than one (1) such animal on the Lot, or consent for the maintenance of any other kind of animal on any Lot.

8.1.4 Signage: No sign of any kind shall be displayed to the public view on any Lot except: one (1) sign of not more than nine (9) square feet advertising the property for sale. Additionally, no signs may be installed by an Owner on the Common Areas. This paragraph shall not apply to signs used by a Declarant or a Builder to advertise the Property during the construction or sale period.

8.1.5 Trash: No burning of any trash and no accumulation or storage of litter, new or used building materials or trash of any kind shall be permitted on any Lot. Trash and garbage shall be placed in sanitary containers and shall not be permitted to remain in the public view except on days of trash collection. This paragraph shall not apply to any Lots owned by the Declarant or a Builder and held for sale.

The Declarant or the Association, as the case may be, shall coordinate trash collection for the subdivision with one (1) trash collection service provider. All Owners desiring to have trash collected at their residence shall be required to use the trash collection service provider selected by the Association.

8.1.6 Accessory Structures. No temporary accessory building, tent, storage shed, mobile home, or the like shall be erected or permitted to remain upon a Lot. Decks are permitted provided they are located within the building set back area of the Lot and attached to the residence and otherwise comply with all zoning and other ordinances and regulation promulgated by the local governmental authorities having jurisdiction. Swimming Pools and related appurtenances are permitted on Lots provided they are in-ground type pools and they are not located within the prohibited rear or side yard setback areas and otherwise comply with all zoning and other ordinances and regulation promulgated by the local governmental authorities having jurisdiction. Hot tubs, spas and related appurtenances are also permitted on Lots. No deck, swimming pool, hot tub, spa or related appurtenance shall be permitted to be located in the front yard of any Lot.

Notwithstanding the foregoing, detached garages, barns, carriage houses, and similar permanent structures shall be permitted provided that the same shall have exterior elevations and be designed in keeping with the general theme of the community, and further provided that all such structures shall have been previously approved by the Design Review Committee or other Reviewing Authority in accordance with applicable provisions of Article VII of this Declaration.

Playsets shall be permitted on any Lot provided they are installed in compliance with the following criteria: (a) they are made primarily of wood; and (b) they are located in the rear yard area of the Lot. Basketball goals shall be permitted on any Lot provided they are installed in compliance with the following criteria: (a) they are not attached to the residence on the Lot; (b) they shall have a clear backboard; and (c) the supporting poles shall be black. This paragraph shall not apply to the Common Areas or any Lots owned by a Declarant or a Builder and held for sale.

8.1.7 Maintenance and Landscaping. Each and every Lot and house thereon shall be maintained by the Owner thereof in a reasonable manner in accordance with the general standards of maintenance prevailing throughout the Property. All landscaping on the Lots including any street trees shall be maintained in good condition. In the event any Owner fails to replace a street tree that dies or is damaged, within sixty (60) days after notice from the Association (subject to a reasonable extension for appropriate planting seasons), the Association shall have the right to replace such street tree and assess the cost thereof against such Owner's Lot. Any such replacement tree shall be of a minimum 2" caliper. All Lots, including any areas designated as "open-space easements" on such Lots, shall be kept free of debris and clutter and shall be kept mowed.

Without limiting the Owner's maintenance obligations set forth above, and in addition thereto, each Owner shall be responsible for the maintenance, repair, and upkeep of the drainage ditch or swale located along the perimeter of the Lot and the decorative wooden fence located on the Lot. The Owner shall keep the areas on and about such items free from debris and clutter and all grass in such areas shall be neatly mowed and trimmed. With respect to the said drainage ditch or swale, the Owner shall maintain the same in accordance with the standards established by the local authority having jurisdiction. With respect to the decorative fence, the Owner shall be responsible for all maintenance, repair and upkeep of said fence including, without limitation, replacement of deteriorating components and painting and repainting as necessary to keep said fence in an

aesthetically pleasing condition. The paint color used on said fence shall be as designated by the Association. In the event any Owner fails to maintain, repair, or keep up any portion of the Lot or house constructed thereon, the Association shall have the right, but not the obligation, to provide such maintenance, repair, or upkeep as may be necessary and charge all fees, costs, and expenses related thereto to the applicable Lot Owner. All such amounts charged to the Lot Owner shall be paid by said Owner within ten (10) days after delivery of an invoice for the same by the Association and shall be a lien against said Lot in the same manner and to the same extent as assessments.

The provisions of this Section 8.1.7 shall not apply to the Declarant.

8.1.8 Automobiles, Recreational Vehicles, Boats, Travel Trailers. No recreational vehicle, mobile home, boat or travel trailer shall be parked or stored on any Lot, for a period in excess of forty-eight (48) hours during any calendar month, unless the same shall be stored in a garage, carport, barn, carriage house, or similar accessory structure located at the rear of the Lot and stored completely out of view. Commercial vehicles and trucks exceeding a three-quarter (3/4) ton rating, and other vehicles in inoperable or unlicensed condition, are prohibited, unless such commercial vehicles or trucks are kept in a garage or approved accessory structured and completely out of view. This paragraph shall not apply to any Lots owned by a Declarant or a Builder and held for sale.

8.1.9 Garage and Yard Sales and Christmas Lights. There shall be no more than two (2) garage or yard sales held by the Owner or residents of any Lot during any twelve (12) month period.

Christmas lights and other holiday-type decorations may be erected no sooner than five (5) weeks prior to and removed not later than two (2) weeks after such holiday.

8.1.10 Obstruction of Easements and Drainage. No structure, planting or other material other than driveways, or sidewalks shall be placed or permitted to remain upon any Lot which may damage or interfere with any easement or the installation or maintenance of utilities, or which may change, obstruct or retard direction or flow of any drainage channels in the easement area. The easement area of each Lot and all improvements in the easement area shall be maintained by the Owner of the Lot, except for those improvements for which a public authority, utility company or the Association is responsible.

8.1.11 Lakes. All lakes, ponds and streams within the Property shall be aesthetic amenities only and no other use thereof, including without limitation, swimming,

boating, fishing, playing or use of personal floatation devices shall be permitted except in accordance with rules and regulations established by a Declarant or the Association. Neither a Declarant, a Builder nor the Association shall be responsible for any loss, damage or injury to any person or property arising out of the authorized or unauthorized use of the lakes, ponds or streams within the Property.

8.1.12 Irrigation Systems. No irrigation system outlets shall be located in the public right-of-way, except as may be approved by the appropriate governmental authorities. This paragraph does not apply to irrigation systems installed by the Declarant.

ARTICLE IX EASEMENTS AND MAINTENANCE

9.1 Access Easements and Open-space/landscape Easements. All Lots shall be subject to an access easement in favor of the Declarant and the Association for the purposes of (a) maintaining, repairing, improving, regulating, operating, replacing and otherwise dealing with the Common Areas, including all improvements thereon, (b) inspecting the exterior of Living Units and Lots for compliance with the terms of this Declaration, and (c) performing any maintenance, repair, and upkeep determined by the Association to be required upon any Lot or the improvements located on said Lot (including, but not limited to, the Living Unit located thereon).

As set forth on the record plat or plats for the Property, certain Lots are subject to "open-space/landscape easements" or "natural buffer easements". Such open-space/landscape easements and natural buffer easements are in favor of the Declarant and the Association and are for the purposes of providing access to the Common Areas and for allowing the Declarant and the Association to maintain improvements constructed by the Declarant in such easement areas. Except as otherwise provided herein, no one other than the Declarant, the Association or the Owner on whose Lot is situated an open-space/landscape easement or natural buffer easement, shall be permitted to have access to, or enter onto, such easement area.

9.2 Private Drainage Easements. Except as otherwise set forth on the record plat or plats for the Property, all Lots are subject to private drainage easements in favor of the Declarant, the Builder and the Association. Such private drainage easements shall be ten feet (10') in width (five feet (5') on each Lot) and shall exist along all common Lot lines, with the common Lot line being the center line of said easement. In those cases where the rear Lot line is not a common Lot line, the private drainage easement shall be ten feet (10') in width along such rear Lot line. The Declarant and the Association shall have the right to enter upon a private drainage easement for the purpose of establishing or reestablishing drainage swales in order to control and direct storm water to collection facilities.

9.3 Maintenance. The Association shall be responsible for the care and maintenance of the Common Areas of the subdivision. Such obligation of the Association shall include the care and maintenance of any improvements (other than landscaping) constructed by the Declarant or the Association in an open-space/landscape easement or natural buffer easement. The Association shall also be responsible for the care and maintenance of the Storm Water Facilities and related storm water improvements in a manner satisfactory to the appropriate governmental authority.

All Common Areas shall be maintained in a reasonable order and condition in accordance with the approved site plan, as determined by the local authority having jurisdiction. The said local authority may serve written notice of deficiencies upon the Association. If the deficiencies have not been corrected within thirty (30) days after receipt of the written notice, the local authority may correct, or cause to be corrected, such deficiencies with the cost of correction being assessed jointly and severally against the properties within the subdivision that have a right of enjoyment of the Common Areas. The entire cost of correction shall be a lien upon each of the properties from and after the date the lien is filed in the Register's Office for the county in which the subdivision is located.

The Owner of a Lot shall be responsible for the care and maintenance of all other portions of such Owner's Lot, including any landscaping situated in an open-space easement, natural buffer easement or detention basin areas. Should any Owner fail to maintain his Lot to the extent provided in this Declaration, the Association may do so, after notice, and assess such Owner for the cost. The assessment shall be a lien on the Owner's Lot to the same extent as other liens provided for herein.

9.4 Reservation of Easements. The Declarant shall have and hereby reserves easements in favor of itself, the Association and their successors and assigns, and such other persons or entities as it may designate as follows:

9.4.1 In, on and over that portion of the publicly dedicated rights of way outside of the actual roadway, as well as over a twenty foot (20') wide strip of land on either side of such publicly dedicated rights-of-way on the Property for the purposes of: (i) access to construct, use and maintain utilities (including, but not limited to, Internet, telephone and cable television), sidewalks, Signage, lighting, landscaping and recreational uses; (ii) removing any obstructions including landscaping from such areas; and (iii) such other uses deemed appropriate for or necessary to integrate the Property into other real estate.

9.4.2 In, on and over all utility and drainage easements set forth on the Property for the installation and maintenance of utility and drainage systems.

9.4.3 Nothing contained in this Section shall be deemed or construed to give the Association any right to unreasonably interfere with the public use, enjoyment or maintenance of such publicly dedicated rights-of-way.

9.5 Right of Association to Remove or Correct Violations of this Declaration. The Association may, in the interest or the general welfare of all of the Owners, enter upon any Lot or the exterior of any dwelling at reasonable hours on any day for the purpose of removing any roadway obstructions, including landscaping, or correcting any violation or breach of any attempted violation of any of the covenants and restrictions contained in this Declaration, or for the purpose of abating anything herein defined as a prohibited use or nuisance, provided however, that no such action shall be taken without a resolution of the Board of Directors of the Association authorizing access to such Lot or property covered under this Section and any charges incurred by the Association in correcting the violation hereunder, (including court costs and reasonable attorney's fees) shall constitute a charge against the subject property and a personal obligation of the Owner thereof, and the Association shall have a lien upon the property and Lot for such expenses, and including costs of collection of said lien amount, which lien shall be subordinate to first mortgages as provided in Section 5.12.

9.6 Declarant's Reservation of Entry Rights. The Declarant for itself and any Builder reserves the right during the Development Period to enter upon the Lot for purposes of correcting grade and drainage patterns for the benefit of the entire Properties, provided that the Lot shall be restored with any pavement, grass or sod which shall have been removed.

9.7 Declarant's and Association's Right to Grant Easements. Notwithstanding any other provisions herein, as long as there exists Class B membership, the Declarant, and thereafter the Association is authorized without consent of the Members to grant across, through or under any Lot, Common Area or any utility easement, including a Television Cable easement, deemed by the granting party to be necessary or convenient in the development or enjoyment of the Properties, provided no easement shall be granted across, through or under any Living Unit or building which restricts ingress or egress to such Living Unit or building.

9.8 Handicap Accessibility. Notwithstanding any other provisions herein, an Owner of any Lot may, at his expense, have such reasonable modifications made to the interior and exterior of his Living Unit and Lot and the Common Areas as may be necessary to afford physically handicapped persons full enjoyment of his premises. Any modifications to be undertaken to the exterior of a Living Unit and Lot or the Common Areas shall comply with the guidelines and regulations of the United States Department of Housing and Urban Development for buildings and facilities providing accessibility and usability for physically handicapped people; and shall be undertaken pursuant to a contract, the terms, conditions and specifications of which, shall be approved by the Board of Directors. The approved contractor shall provide an adequate performance bond for the benefit of the Association.

Notwithstanding the other provisions herein, including those requiring approval of the Members of the Association, the Board of Directors is authorized to make reasonable accommodations to any rules, policies, practices or services as may be necessary to afford a handicapped person equal opportunity to use and enjoy his Living Unit and Lot, including the Common Areas.

9.9 Arbitration. In the event of any dispute between Owners, other than the Declarant, regarding the application of these restrictions or any rule or regulation, the party aggrieved shall submit a complaint in writing to the Board specifying the dispute. The Board shall set a time and place for a hearing thereon within thirty (30) days thereafter, and give written notice to each party thereof not less than five (5) days in advance of such hearing. The Board, after hearing such evidence and arguments as it deems proper, shall render a written decision on the matter to each party within thirty (30) days after such hearing. No legal action may be instituted by either party on such a dispute unless the arbitration provided for herein has occurred, or unless both parties have waived the requirement for arbitration in writing.

ARTICLE X GENERAL PROVISIONS

10.1 Enforcement. The Declarant, the Association, or any Owner, shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration. Failure by the Declarant, the Association or by any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

10.2 Severability. Invalidation of any one of these covenants or restrictions by judgment or court order shall in no way affect any other provisions which shall remain in full force and effect.

10.3 Amendment. Except as otherwise provided in this Declaration, the covenants and restrictions of this Declaration shall run with and bind the land for a term of forty (40) years from the date this Declaration is recorded, after which time they shall be automatically extended for successive periods of ten (10) years. This Declaration may be amended during the first twenty (20) year period by an instrument signed by not less than seventy-five percent (75%) of the Lot Owners, and thereafter by an instrument signed by not less than fifty-one percent (51%) of the Lot Owners. Any amendment must be recorded. No amendment to the covenants and restrictions of this Declaration shall be binding upon any Lot owned by the Declarant or upon any additional property annexed to the terms of this Declaration by the Declarant, or upon any Lot upon which a single-family dwelling has not yet been erected unless the Declarant or any such Lot Owner agrees to said amendment in a recorded writing.

10.4 Declarant's Right to Amend Documents. Notwithstanding anything above to the contrary, this Declaration and the Bylaws may be amended at any time without the vote of Owners by a written instrument executed by the Declarant for any purpose which, in the Declarant's sole and absolute opinion, serves the best interests of the community, clarifies Declarant's original intent, conforms this Declaration to any requirements imposed or requested by any governmental or quasi-governmental agency, public authority, or financial institution, or for any other reason the Declarant may deem expedient; provided, however, that no such amendment shall materially affect any Owner's interest in the Association. Each Owner and his mortgagees, by acceptance of a deed to a Lot or a mortgage encumbering such Lot, shall be deemed to have consented to and approved of the provisions of this paragraph and the amendment of this Declaration and the Bylaws by Declarant as provided herein. All such Owners and their mortgagees, upon request of Declarant, shall execute and deliver from time to time all such instruments and perform all such acts as may be deemed by Declarant to be necessary or proper to effectuate the provisions of this paragraph.

10.5 Personal Liability. Nothing in this Declaration, the Articles or the regulations of the Association, or any rules or regulations enacted pursuant to any of the aforesaid, shall impose personal liability upon any member of the Board of Directors or any officer of the Association acting in his capacity as such, for the use, maintenance, repair or replacement of any Living Unit or of any part of the Common Areas or give rise to a cause of action against any of them except for damages resulting from their own willful omissions or misconduct and each person who becomes an Owner or Member hereby releases and discharges all liability for injury or damages to such Member or Owner or to such Member's or Owner's property and covenants not to initiate any legal proceedings against any such person or persons unless such said person is covered by insurance and in such event the amount of recovery shall be limited in the amount of insurance.

10.6 Non-Liability of Declarant.
